ZINK CENTER FOR COMPETITIVE INNOVATION

The Zink Center Leadership Seminar Series

"Leadership: Technology, Innovation & Entrepreneurship"

Ning So

Ning So is the Managing Partner of Wentworth Capital LLC, a private equity investment fund with close to $20 M investment capital. Prior to starting Wentworth Capital LLC, Ning So has started Moreland Ventures LLC and Banff Capital LLC, which were merged into Wentworth Capital LLC. Ning So has been actively investing in various industries for over 10 years. Ning left his corporate job in 2021 to dedicate his time and effort on the funds he manages. Prior to his current venture, he was VP at Reliance Jio, the largest corporation in India. Ning led several R&D teams in US focusing on emerging technologies in the area of 5G and Cloud Computing. Ning also served as a technical leader in some of the largest Global Open-Source projects.

Mr. So earned his Master's Degree in Telecommunications Engineering from Oklahoma State University in 1998 and he has done post-graduate studies in Telecommunications Engineering at the University of Texas at Dallas. He holds over 30 patents and patent applications.
